## Provisional Annotated Agenda

### **Agenda Item 1 Adoption of the Agenda**

The Meeting is invited to adopt the Agenda as contained in document 1-1.

### **Agenda Item 2 Additional information for the actions in the updated BSAP**

As outlined in the workplan for the BSAP update, the HELCOM Working Groups will in spring 2021 collect additional information for the actions planned to be included to the updated BSAP. HOD 59-2020 agreed that such additional information include, for example, the possible effect of the action, relevant pressures and activities targeted by the actions and the implementing entity. The additional information is planned to be used to support the implementation of the actions as well as the follow-up.

AGRI 11-2021 considered the additional information on BSAP actions related to the Agri group, agreed on the proposals for some actions as well as agreed to organize an intersessional meeting to complete the task. The meeting took note that most of the formulations for the remaining BSAP actions had been recently agreed and requested the Secretariat to compile additional information for these actions and circulate it to the Agri group by 11 May 2021.

The Meeting is invited to agree on the additional information for the remaining BSAP actions related to Agri group (document 2-1).

### **Agenda Item 3 Any other business**

The Meeting might wish to discuss any other issues relevant for the group.

### **Agenda Item 4 Outcome of the Meeting**
