TRANSPORTATION

1. from the Warsaw Chopin Airport to the VENUE

The public transportation from the airport to the venue is quite complicated and takes approximately 1 hour (changing about 4 times between buses of public transportation).

We recommend taxi. Costs about 80 PLN – approx. 20 euro (approx. 15-minutes ride from the airport).

Location

Taxis can be found outside Arrivals, in the first level.

Exemplary taxi corporations available in Warsaw Chopin Airport:

- ELE TAXI: +48 22 811 11 11
- SUPER TAXI: +48 22 196 22
- SAWA TAXI: +48 22 644 44 44

Travellers should ensure that they use taxis from the legitimate taxi stands and not from the touts that purport to be cheaper since they could be a victim of a scam. You'll easily identify the official airport taxis by the tariffs displayed in the car window.

2. from the VENUE to the CENTER OF WARSAW

The bus No 706 to the stop P+R AL. KRAKOWSKA and then tram No 9 to the Center. Time – approx.. 40 min

The tickets for public transportation:

- trip up to 20 minutes – 3,4 PLN
- trip up to 90 minutes – 7 PLN
- 24 hour ticket – 26 PLN
