How to reach Helsinki:

Recommended travel route to Helsinki from abroad would be via Helsinki-Vantaa international airport located ~20km north from the city centrum.

There are also other international airports in the southern part of Finland with train connections to Helsinki. If you plan to use one of them (Turku airport, Tampere airport, etc.) please contact us for further logistics information.

Connection to the venue from Helsinki-Vantaa Airport:

- By train: line P or line I from Airport to Pasila station, both leave every 10 minutes during daytime, travel time 30-35 min, price 5€, note that train tickets must be bought in advance from a ticket machine (located in the platform). There is no ticket sale in the train.
- By taxi: about 30 min and about 40€, please note that taxi prices are not regulated in Finland, it suggested to check and agree the price before journey.
