### Background

HOD 58-2020 agreed in principle on the rephrased and concretized existing HELCOM actions to be transferred to the updated BSAP with the understanding that further drafting based on the written comments will take place. Contracting Parties were invited to provide concrete proposals for rephrasing of specific actions to the Secretariat to be considered in the further development of the actions.

The attached Excel document includes comments from Denmark on the existing actions under the biodiversity segment received after HOD 58-2020.

### Action requested

The Meeting is invited to take note of the comments and continue drafting of the actions based on the comments received with the aim of submitting a final proposal for HOD 59-2020.
