Invitation to HELCOM MAMA in Odense, Denmark 22 – 24 September 2020

Dear colleges in HELCOM MAMA.

The Ministry of Environment and Food of Denmark is pleased to invite the HELCOM MAMA Working Group to Odense in Denmark for the next meeting at 22-24 September 2020.

The meeting will take place at facilities of the Environmental Protection Agency, Tolderlundsvej 5, Odense. It is only 8 minutes walk from the train station, and close to hotels and restaurants in the center of Odense.

If Covid 19 regulation makes it impossible for some of you to participate in a physical meeting, online meeting facilities in the meeting room will allow participants to attend the meeting online.

Further the Danish Environmental Protection Agency would like to invite the HELCOM MAMA working group to participate in a guided tour at the Fjord & Bælt Center in Kerteminde with a subsequent dinner hosted by the Agency. Tour and dinner will take place on Tuesday 22 from 4 pm. The Danish Environmental Protection Agency has arranged bus transport from Odense to Kerteminde and back.

Fjord & Bælt is a non-profit maritime activity, dissemination and research center whose aim is to disseminate knowledge and experiences about life in the fjord and the belt area, as well as the conservation of the Danish marine fauna. F&B researches in marine mammal reproductive biology and physiology, population counts, food choices and behavioral studies. www.fjordbaelt.dk

We are looking forward to see you in Denmark.

Best regards

Ejgil E Andersen
