Seventh meeting of HELCOM economic and social analyses expert network (EN ESA 7-2019)

Time: Wednesday 18 September 9:30 – 15:00 EET

Venue: HELCOM Secretariat (Katajanokanlaituri 6 B, FI-00160 Helsinki), Helsinki, Finland

Aims

The Meeting will contribute to the development of economic and social analyses (ESA) in the Baltic Sea Region. More specifically, the Meeting will:

- Continue the update of the ESA Roadmap
- Continue drafting of the Network's input into the HOLAS III process
- Consider outcome of SOM Platform 2-2019

The Meeting will be chaired by Ms. Soile Oinonen.

Background

HELCOM has begun the process of HOLAS III, with scoping discussions occur during [GEAR 20-2019](#). Following these discussions, the Network was asked to advise on matters relating to ESA including addition/modification of the valuation of ecosystem services and linking ESA to environmental assessments. GEAR 20-2019 also requested an update of the ESA Roadmap. [EN ESA 4-2019](#) agreed to begin work on the ESA Roadmap first and then use the Roadmap to guide the Network's response concerning HOLAS III.
