

## Invitation to the fourth meeting of the HELCOM MARITIME Sub-group on GREEN Technology and Alternative Fuels for Shipping (HELCOM GREEN TEAM 4-2020)

A full day meeting on **green shipping, technology and alternative fuels in the Baltic Sea** will be organized from 10 am to 4/5 pm on Tuesday 13 May 2020 in Mariehamn on the Åland Islands, Finland.

GREEN TEAM platform is a **joint cooperation platform** which is open for representatives from governments, public sector institutions, maritime industry and civil society interested in working jointly to advance sustainable shipping technology and use of new alternative fuels in the region.

The Meeting will be arranged at Alandica kultur & kongress venue, (Strandgatan 33, Mariehamn, conference room "Ryssö"). Further details on logistics etc. will be provided in the information for participants to be circulated in due course.

The meeting is organized back-to-back with the Åland Maritime Day 2020 event to take place on 14 May. For details and registration, please visit <https://www.sjofart.ax/maritime-day-sjofartens-dag>. There is a limited number of hotels in Mariehamn and thus we encourage you to book your accommodation as soon as possible.

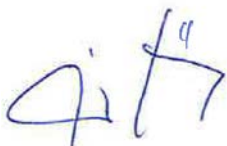

**Organizers have made block reservations at the following hotels:**

- [Hotel Adlon](#) (12.-14.5);
- [Hotel Arkipelag](#) (12.-13.5).

When booking the room either on the phone or by e-mail, please make reference to the HELCOM GREEN TEAM meeting. **The block reservation is valid until 28 February.**

In the evening of 13 May from 5 pm onward will be arranged the **Mercy Ships Race** event for those interested in to join on voluntary basis. For further information, please read an [article on the last year's event](#).

Looking forward to meeting you in Mariehamn!
