Background

As agreed in the Strategic Plan and the Work Plan for the BSAP update, if the actions agreed in Baltic Sea Action Plan and subsequent Ministerial Meetings of 2010, 2013 and 2018 are not implemented by 2021, they will be transferred to the updated BSAP unless they have been outdated. The actions that are not likely to be implemented by 2021 have been considered by the HELCOM Working Groups and some of them have been rephrased to be more concrete. The 58th Meeting of the HELCOM Heads of Delegation (HOD 58-2020) agreed in principle on the rephrased and concretized existing actions to be transferred to the updated BSAP with the understanding that further drafting based on written comments will take place.

The list of existing actions to be transferred can be found [here](#).

Action requested
