## Annex 2

Proposed possible questions for Ministerial debate

- What should be HELCOM's priorities to ~~ensure- accomplish good status of~~ the Baltic Sea Action Plan by 2021? Which are the national actions top three actions that we should do collectively and which are the ones you will take in your country and which are the top three actions that Parties should do jointly to achieve good environmental status?
- What opportunities do you see from our cooperation to support implementation of UN Agenda 2030 in the Baltic Sea? Is HELCOM as organization fit to do it, and if not, what are the key changes needed so we would be?
