Background

In accordance with the outcome of the 17th Meeting of HELCOM Intersessional Network on Eutrophication (IN Eutrophication 17-2020), the 18th Meeting of the HELCOM Intersessional Network on Eutrophication (IN Eutrophication 18-2020) will be held online on Thursday 5 November 2020 10:00-13:00 EET.

The Meeting will be chaired by Ms. Vivi Fleming, Chair of the Intersessional Network on Eutrophication.

Provisional Annotated Agenda

1. Opening of the meeting and adoption of the agenda

The Meeting is invited to adopt the agenda.

2. Confidence assessment further development

IN-Eutrophication 17-2020 discussed on the further development of confidence assessment and took note of the further steps for confidence assessment (Outcome para 11):

- Finalizing test assessment with all indicators included
- Subsequent refinements as necessary

The meeting is invited to discuss on any further development needs.

3. Oxygen indicator development

IN-Eutrophication 17-2020 considered the need to discuss further development of the oxygen indicator test results between countries interested in the indicator development (Estonia, Finland, Germany, Latvia and Sweden), and agreed to further discuss the topic in the upcoming meeting of the network to be held in early September.

The meeting is invited to discuss further on the development of the oxygen indicator.

4. Upcoming HELCOM projects relevant to eutrophication assessment

The meeting will be informed about status and plans for the upcoming projects supporting the development of HELCOM eutrophication assessment for HOLAS III.

5. Any other business

The Meeting might wish to consider any other matters relevant to the work of the Group.

The Meeting is invited to decide on the time and place of the next meeting of the group.
