Re. Invitation to the Third Meeting of the Seventh Baltic Sea Pollution Load Compilation (PLC-7)  
Project Implementation Group

Dear Colleagues,

I have the pleasure to forward the invitation from DCE - Danish Centre for Environment and Energy and invite you to the Third Meeting of the Seventh Pollution Load Compilation (PLC-7) Implementation Group (PLC-7 IG 3-2018) to be held in Silkeborg, Denmark, on 23-25 May 2018.

The Meeting will start **at 14:00 on Wednesday, 23 May** and it is expected to terminate **by 16:00 on Friday, 25 May 2018**. The Meeting will be held at the premises of DCE at Aarhus University (Vejlsoevej 25, DK-8600 Silkeborg, room D2.04.)

The Meeting will be focused on the current project activities in accordance with the PLC-7 project work plan, preparation of periodic PLC-reporting of 2017 data, updating of HELCOM Core Pressure Indicator on nutrient inputs (2015), and finalizing the remaining products of the PLC-6 project, particularly the evaluation of effectiveness of measures, scientific report and executive summary. The Provisional Agenda (document 1-1) is available on the [Meeting Site](#) and Annotations to the Provisional Agenda will be submitted soon.

“Practical information” is also available on the Meeting Site. All documents for the Meeting will be made available in the document library on the restricted [PLC-7 IG 3-2018 Meeting Site](#) in the HELCOM Meeting Portal.

Participants are kindly requested to register to the Meeting by answering the [Participation Survey](#) latest **by 16 May 2018**.

Yours sincerely,
