### How to get to Silkeborg:

There are three airports with one hour driving from Silkeborg.

- Billund airport (60 km from Silkeborg) is an international airport, with direct connections to some foreign cities. Bus, taxi or rent a car to Silkeborg (you can also take a bus to Vejle and then train to Silkeborg, but takes a least 1½ hours)
- Tirstrup airport (about 75 km from Silkeborg) – mostly domestic airport, but some international connections. Bus to Aarhus and train to Silkeborg
- Karup airport (45 km from Silkeborg) – domestic, connections to Copenhagen. Taxi to Silkeborg.

— From both Karup and Billund there might be possibility to pre-order a taxi – that is cheaper – *DCE can offer to assist you regarding booking taxi (limousine services) if we know your arrival and departure.*

Further, you can reach Silkeborg with train (about 3 hours travel time from Copenhagen, change train in Skanderborg). There is about 2 km from the Railway station in Silkeborg to DCE.
