Re: Invitation to the Sixth Meeting of the Seventh Baltic Sea Pollution Load Compilation (PLC-7)
Project Implementation Group

Dear Colleagues,

I have the pleasure to invite you to the Sixth Meeting of the Seventh Pollution Load Compilation (PLC-7) Implementation Group (PLC-7 IG 6-2019) to be held in the premises of SLU in Uppsala, Sweden, on 18-19 February 2019.

The Meeting will start at 10.00 on Monday, 18 February and terminate not later than 16:00 on Tuesday, 19 February 2019.

The Meeting will be focused on the reporting of periodic data 2017, approval of the annually reported data and further steps towards timely producing of the assessment products. The Meeting will also discuss progress in implementation of other tasks of the PLC-7 project, particularly, finalizing of the PLC water Guidelines and methodological aspects of nutrient input assessment. The Meeting will also discuss evaluation of effectiveness of measure to reduce input of nutrients as a remaining issue of the PLC-6 project, which is of utter importance for the implementation of the related task of PLC-7. The Provisional Agenda (document 1-1) is available on the [Meeting Site](#) and Annotations to the Provisional Agenda will be submitted soon.

“Practical information” is also available on the Meeting Site. All documents for the Meeting will be made available in the document library on the restricted [PLC-7 IG 6-2019 Meeting Site](#) in the HELCOM Meeting Portal.

Participants are kindly requested to register to the Meeting by answering the [Participation Survey](#), latest **by 8 February 2019**.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Dmitry Frank-Kamenetsky", is positioned below the text "Yours sincerely,".
