

DEC 12-1 HELCOM Response Exercise Plan (HREP)

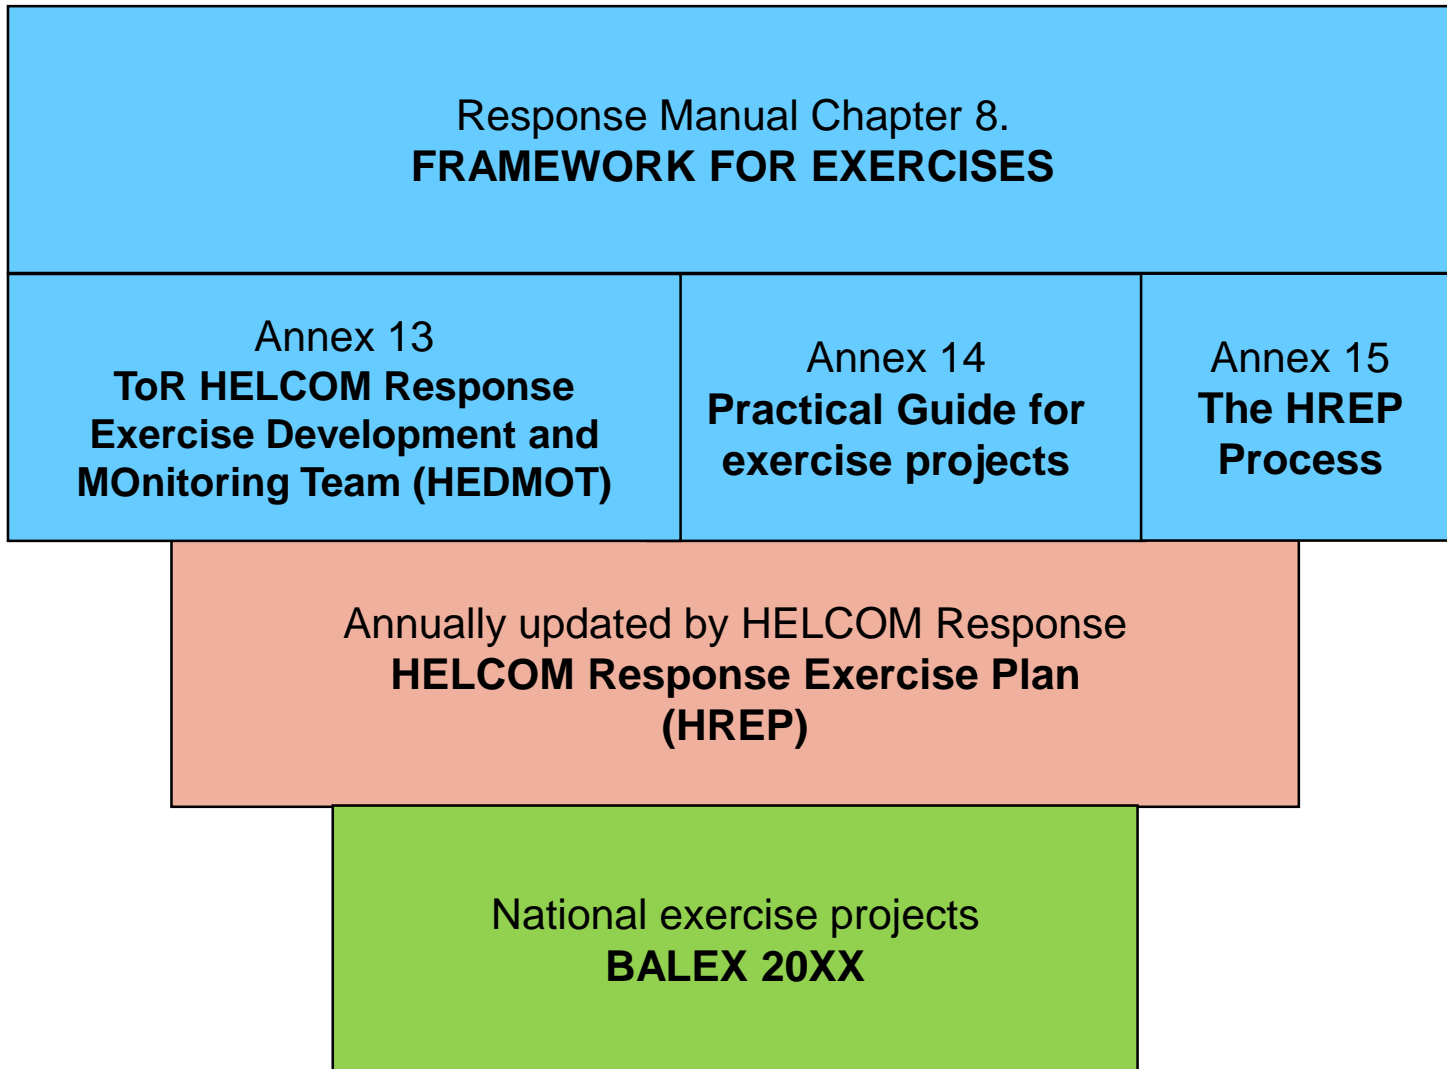

HELCOM Response 28-2020

Johan Genestig, Swedish Coast Guard

Pär Eriksson, FOI

Arya Honarmand, MSB

Sonja Dobo, MSB

A new document structure:

Blue: Included in the HELCOM Response Manual

Red: A living document, updated by HELCOM Response

Green: National exercise projects in the BALEX series

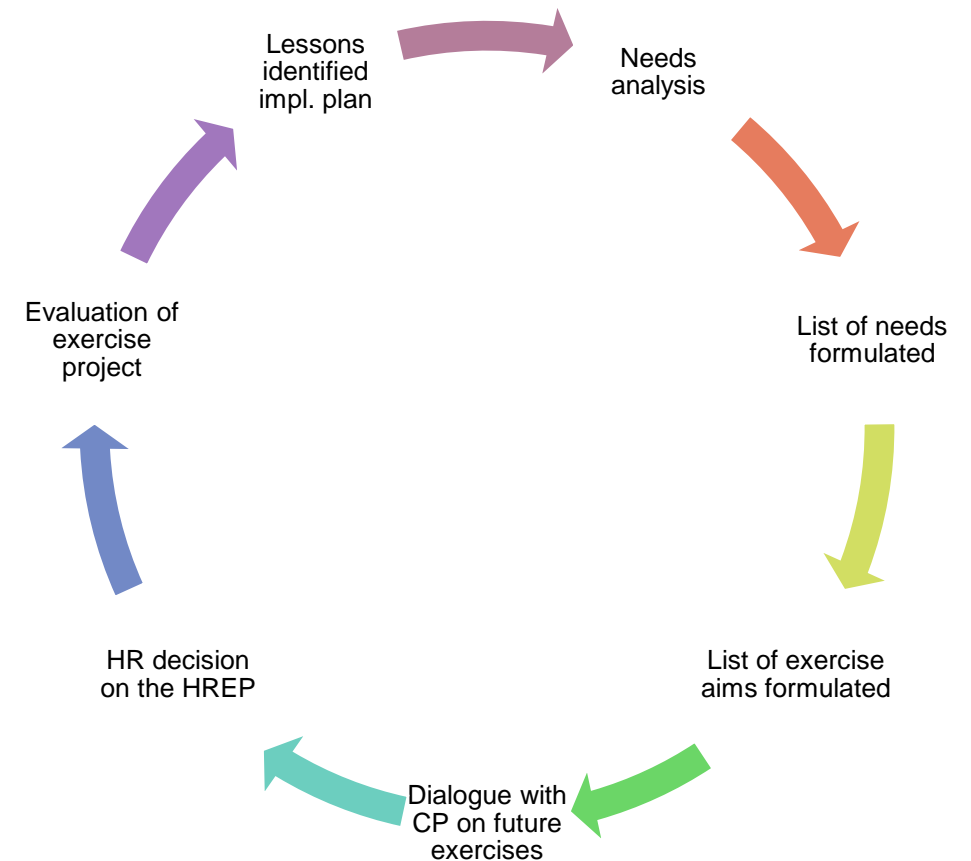

A long-term exercise plan

HREP will consist of 3 parts:

1. List of identified needs
2. List proposed exercise aims
Suggest corresponding exercise types
3. List exercise projects

The next four exercise projects will be included in the exercise plan – increasing level of detail

HREP to be filled by HEDMOT
(in accordance with the HREP
process, Manual Annex 15)

HELCOM Response Exercise Development and MOnitoring Team (HEDMOT)

HEDMOT 2021 composition:

- EE (BALEX 2020), Chair
 - FI (BALEX 2021)
 - DE (BALEX 2022)
 - LV (BALEX 2023)
- Initially more comprehensive work with the needs analysis
 - SE offers to support HEDMOT 2021

Action points, DEC 12-1

1. HREP as an independent document or part of a work plan or similar?
2. Establish the HEDMOT, replace EET
3. Nominate or propose reinforcement to the HEDMOT
4. Consider to include a standing agenda item for the HEDMOT
5. Approve the draft HREP
