

Document title	Template for compiling information on national developments regarding response at sea, on shore and for oiled wildlife response
Code	3-1
Category	CMNT
Agenda Item	3 – Recent developments regarding on-shore response
Submission date	16.12.2020
Submitted by	Secretariat
Reference	

Background

RESPONSE 25-2018 encouraged the Contracting Parties to make use of the attached template when reporting on enhancements of national preparedness on shore, including oiled wildlife response, covering new equipment and development projects of national interest.

The Contracting Parties are invited to fill in the reporting template and send it to the Secretariat (markus.helavuori@helcom.fi) prior to the meeting at the latest **by 20 January 2021**.

Action requested

The Meeting is invited to take note of the information on national development reported by the countries.

Template for compiling information on national developments response at sea, on shore and for oiled wildlife response
