

OSPAR Convention for the Protection of the Marine Environment of the North-East Atlantic, and
Helsinki Convention on the Protection of the Marine Environment of the Baltic Sea Area
Meeting of the Joint HELCOM/OSPAR Task Group on Ballast Water Management Convention
(BWMC) and Biofouling (TG BALLAST 11-2020)

Online: 26-27 November 2020

National Administration Contacts - Official Contact Points for BWMC A-4 Exemptions

Presented by Secretariats

Issue: This document presents the official National Contact Points for BWMC A-4 Exemptions.

Action requested

1. JTG-Ballast is invited to;
 - a. complete and update the attached list of official National Contact Points for BWMC A-4 Exemptions; and
 - b. take note that once updated the list will be uploaded to the HELCOM OSPAR Risk Assessment Decision Support Tool.

Background

2. In considering section 7 and Annex 6 of the draft revised JHP, the TG BALLAST 10-2019 agreed that it is more practical to have the “National Administration Contact” details as part of the HELCOM OSPAR Risk Assessment Decision Support Tool instead of an annex to the JHP. The meeting also invited all HELCOM and OSPAR Contracting Parties to provide up to date contact details to the HELCOM Secretariat by 17 January 2020. The meeting further noted that the intention is also to continue the practice of updating the list at each meeting of TG Ballast.

This document contains the list of National Administration Contact details as part of the HELCOM OSPAR Risk Assessment Decision Support Tool as currently available in the Tool.
